**Third Announcement: " Final invitation and Registration form"**  
**Transport Research Arena (TRA) Conference Europe: 7-10 June 2010 Brussels (Belgium)**

Dear Madam,  
Dear Sir,

We have the pleasure to invite you to download the Third Announcement for the Transport Research Arena (TRA) 2010 Conference, which will take place in Brussels (Belgium) from 7 to 10 June 2010.

The TRA will deal with energy use and sustainability in transport, road safety and urban mobility, embraced in the slogan "Greener, safer and smarter transport for Europe". For TRA 2010 the main theme will be Sustaining Road Transport Mobility through innovation in Europe.

This third announcement invites you to be part of this main event in Brussels, where European transport actors will meet.

**Thinking about registering?**  
**Do so before March 15, 2010 and enjoy early booking rates!**

More information can be found in the "Third Announcement: Final invitation & Registration form" which is now available for download on the TRA website [www.traconference.eu](http://www.traconference.eu).

With thanks and kindest regards,  
Chris Caestecker,  
Chairman of TRA 2010 Management Committee
