

5th EULIST "Friday for Research" - Joint Online Meeting on "Smart Cities"

Friday, 8th November, 12:00 - 15:00 CET.

The meeting will include 5-minutes presentations by the members of EULIST European University showing the excellence of each institution on the following topics:

- ◆ Sustainable infrastructure
- ◆ Efficient transportation systems
- ◆ Climate neutral and climate resilient cities and universities
- ◆ Smartmobility
- ◆ Water management
- ◆ Smart Governance and Citizen Engagement
- ◆ Data driven resource management
- ◆ Advanced public safety and emergency response
- ◆ Accessible and high-quality healthcare
- ◆ Smart education systems
- ◆ High-Speed Connectivity and digital infrastructure

After the presentations there will be time for discussion by all participants, in order to create synergies leading to potential research projects.
